

Destin doctor first to receive plastic surgery re-certification

Dr. William R. Burden of Destin Plastic Surgery has obtained the first re-certification in plastic surgery in the Panhandle area as a specialist in cosmetic surgery.

The American Society of Plastic Surgeons places great emphasis on

William Burden

surgeons maintaining their knowledge base and expertise in plastic surgery. Certification is part of the process. Re-certification verifies Dr. Burden's expertise in cosmetic and breast surgery, his commitment to continued training and maintenance of current knowledge.
