DESTIN

Dr. William R. Burden, MD, FACS and Dr. L. Scott Ennis, MD, FACS of Destin Plastic Surgery are known for their experience and dedication to staying in the forefront of leading technology in plastic surgery. They are recognized for their endoscopic minimal incision surgery of the face, breast and body. Both Dr. Burden and Dr. Ennis have the distinction of being dual board certified Plastic and Reconstructive Surgery as well as General Surgery. Destin Plastic Surgery and its affiliated Anti-Aging Skincare Clinic also specialize in the most popular, non-surgical procedures including botox and filler and medical grade skincare products.
